News from Public Safety

School is almost out; at least the children think so. Now with the evenings being lighter longer and warmer weather arriving. The children are out in force, both walking and on their bikes. Please take extra precautions when driving.

A question about Handicap Parking arose this week. Please note that Pennsylvania law requires you to display a handicap placard or use a handicap license plate to park your vehicle in a handicap parking space.

Please take the five minutes it takes to register your vehicles with the community. If we have any interaction with you and your vehicle, and it is not registered, you can receive a citation for this infraction. Also, vehicles must be registered, insured and inspected in accordance with Pennsylvania law to be driven within the community.

Contractors who work within the community must register with the office and receive a “Contractor’s Pass” which is good for 30 days, this way Public Safety knows that the truck or van parked in your driveway is legitimate and not burglarizing your residence, or vice versa.

Please, help us keep this community safe for you and your families so you can have a wonderful summer.

Thank you.

Gary D. Linton

Chief of the Pine Ridge Department of Public Safety

We would like to let people know that if you need help paying your dues please come in and talk with us. We know that people go through rough times and money may be tight. No matter how much you owe, we can work with you and make arrangements that will help you get back on track. Paying your dues not only helps our community but it also allows you to partake and have a say in our community.
