News from Public Safety

School is out, please be careful.

The present heat wave is affecting over twelve million by this morning's report. Please take the time to keep you and your family hydrated and do not stay out in the heat too long. If you have an elderly or infirmed neighbor, take a second to call or check on them. If you find anything amiss, call 911 for the ambulance or 570-588-6962 for Public Safety. Being a good neighbor in these times can mean a saved life.

Though there is a fire ban within the Community. Small controlled "campfire" type fires or barbecues are still allowed. With the heat drying out the vegetation, please take extra care with your fire.

As always, my door is always open for your input.

Thank you so much.

Gary D. Linton

Chief of the Pine Ridge Department of Public Safety
