News from Public Safety

I want to thank everyone for your response to my last appeal for information about the green and white dirt bike. Perhaps you can help again. This time it is a Black ATV coming onto our property from the power lines at the East end of Pocono Boulevard, running down Maple Lake, up Kittatiny back down Pocono Boulevard and out of the Community at extremely high rates of speed and terrorizing residents. Yesterday the August 11th, the ATV just missed hitting a five year old boy on Kittatiny. The ATV usually has a red & white dirt bike running with him, or a black Cadillac Escalade. **As always any information we receive will be held in the strictest confidence as per our Association's rules on confidentiality. Thank you.**

School will be starting in a couple of weeks. Please be advised that this Department will vigorously enforce all of the rules and regulations concerning speed, traffic, parking and cell phone use, especially on Pine Ridge Drive as our children will be once again placed in the vulnerable position of walking up and down the hill. One injured child will be one too many, especially if the child is yours. Please remain alert to the walkers as you proceed. Thank you for your cooperation.

As always, my door is always open for your input.

Thank you so much.

Gary D. Linton

Chief of the Pine Ridge Department of Public Safety
