News from Public Safety

I want to thank everyone for your extra care. Public Safety only had to issue six citations for traffic violations in July. With the amount of children and animals on and along our roads, the fact that you have been taking extra care with your driving is a wonderful testament to your concern about your families and your fellow residents. Let try and make August a month without traffic citations.

We have had one problem over the past couple of weeks. We have a green and white dirt bike being driven in a completely reckless manor within the community including excessive speeding, no helmets, illegal passing, running stop signs, running from our patrols, running through residents property and with a young female on the back of the bike while running from our patrols. He has come close (inches) to causing accidents with other vehicles as well.

Putting aside the fact that dirt bike are not allowed within the community. I am afraid that this young person is going to kill himself, his passengers or someone else. Do to his recklessness and refusing to pull over for us, we are hesitant to continue pursuits for fear that he will crash while trying to run away, especially when he has a passenger. If anyone knows of this individual, please call Public Safety at 570-588-6962 and let us know where he lives. **Do to the association's confidentiality; your information cannot be given out, so no one will know where we received the information.**

Thank you in advance for your help.

As always, my door is always open for your input.

Thank you so much.

Gary D. Linton
